INSTRUCTIONS

1. Articles of amendment may be used to amend or correct any item in a statement of foreign qualification, amendment, renewal, or withdrawal. This form also may be used to make a change to the registered agent or registered office of the partnership, in lieu of a statement pursuant to Section 10.05(b), Texas Revised Partnership Act. This form is designed to meet minimum statutory filing requirements; no warranty is made regarding the suitability of this form for any particular purpose. This form and the information provided are not substitutes for the advice of an attorney.
2. The first statement on the form for articles of amendment should reflect the current name of the partnership. If the amendment or error to be corrected is in the name of the partnership, the name in item 1 should be the name as it currently appears on the records of the secretary of state rather than the name as corrected or amended.
3. The articles of amendment must be executed by a majority in interest of the partners or by one or more partners authorized by a majority in interest of the partners. Prior to signing, please review carefully the statements set forth in the document.
