GENERAL INSTRUCTIONS

Note: The use of federal Form 7004 is not allowed as a substitute for Form N-301, Application For Automatic Extension of Time To File Hawaii Corporation Income Tax Return.

1. Purpose. — Use this form to ask for an automatic 6-month extension of time to file Form N-30, N-35, N-70NP, or N-310. File this form to request an extension even if you are not making a payment.

An extension of time to file your income tax return will not extend the time to pay your income tax. Therefore, you must pay the income tax balance due (i.e., total income tax liability reduced by payments and credits) in full with this form.

Do not request an automatic extension if you are under a court order to file your return by the regular due date.

The extension will be granted if you complete this form properly, file it on time, pay with it the amount of tax shown on line 5 of the Income Tax Balance Due Worksheet and meet the conditions indicated below.

In no case shall the extension be granted for a period of more than 6 months beyond the due date of the return.

For extension requirement purposes, Hawaii does not conform to Treasury Regs. section 1.1502-76. For Hawaii income tax purposes, a corporation shall not be allowed an extension beyond 6 months. Corporations required to file a short year federal return under the above regulation and not able to file their Hawaii return on time should attach a letter of explanation to the front of the Hawaii return when it is filed.

An automatic extension of time for filing a return shall be allowed upon the following two conditions:

- You complete this form properly, file it, and pay any balance due on line 5 of the Income Tax Balance Due Worksheet by the due date for the return for which the extension applies.
