

INSTRUCTIONS FOR PREPARATION OF QUARTERLY PAYROLL REPORT

Payroll reports are to be filed on or before the last day of the month immediately following the calendar quarter covered by the report. Questions concerning wage reporting may be directed to the DWD Wage Records unit by calling (317) 232-7399. All questions concerning quarterly contribution reporting and payment, changes in business status or address, or the opening or closing of a business, should be directed to the Tax Department by calling (800) 437-9136.

It is recommended that all Employers submit quarterly wage reports using the online Uplink Employer Self Service (ESS) system. Employers can access the ESS system by visiting the DWD home page at www.IN.gov/dwd and selecting the menu links "Unemployment for Employers" and "Employer Self Service." Instructions for submitting quarterly wage reports on electronic media (CDs and diskettes) may also be found at the DWD website.

If submitting a quarterly wage report by hardcopy, the Quarterly Payroll Report (UC-5A) must be completed and mailed exactly as specified below. Employers reporting quarterly wages by hardcopy who have more than 25 employees must complete one or more Quarterly Payroll Report – Continuation (UC-5B) forms to submit with the UC-5A form. These forms cannot be used by Employers with Seasonal employees. Employers reporting Seasonal employee wages must report using the Uplink ESS system or contact the Wage Records unit for assistance. These forms cannot be used to adjust (correct) previously reported wages.

It is recommended that the reports be completed by typing data into the appropriate fields and then printing the hardcopy reports. Information may be hand-written into the pre-printed reports, but the information must be written in block print and legible. Reports with unreadable information will not be accepted. Saved versions of these reports by electronic media will not be accepted.
